### COMMENTS:

I FEEL THAT THIS CORRIDOR WILL BE OF OVERALL BENEFIT  
TO LINCOLN COUNTY - SOME CONSIDERATION SHOULD BE GIVEN  
TO THE ECONOMIC IMPACT ON PRIVATE PROPERTY, NAMELY INDIVIDUAL  
HOMEOWNERS. THIS WILL BE A NEGATIVE IMPACT ON REAL  
ESTATE VALUES, PRIMARILY DUE TO THE NOISE ASSOCIATED  
WITH RAIL TRAFFIC. THE EXISTING PROPERTY OWNERS  
SHOULD BE COMPENSATED FOR THIS IMPACT.

Please note: Your comment(s) must be received by the Department of Energy by June 1, 2004 to be considered. Comments received after the close of the comment period will be considered to the extent practicable.

If you prefer to mail your comments, you may use the back side of this sheet as a postage-paid, self-mailer. To do so, fold in thirds along the dotted line so the address and postage-paid notice are visible, then secure with tape.

Please feel free to attach additional pages (if mailing, more postage may be needed).
